¹ The motion rather broadly requests that the Board extend all “scheduling order dates, status dates, and response dates” in CAB No. D-1454, as well as in several other pending CAB cases being handled by counsel for the District. (Mot. Continue 1). The Board, however, only extends the impending prehearing and hearing dates for CAB No. D-1454, as set forth herein, and otherwise denies the remainder of the motion with respect to this case.

² The parties previously advised the Board’s General Counsel that these rescheduled dates were acceptable.
