TELECONFERENCE ORDER

Filing ID #59431174

On August 16, 2016, the Presiding Judge in this matter conducted a teleconference with the parties to discuss the status of settlement discussions in the present case. The parties represented to the Board during this meeting that a verbal settlement in principle had been reached by the parties and that final terms would be negotiated in the coming weeks. The hearing on the merits in this matter is currently scheduled to take place on August 22 – September 2, 2016. However, based upon the representation of the parties that a settlement agreement in principle has been reached and final terms are currently being finalized, the Board hereby amends the hearing date to take place on September 26 – October 7, 2016, to allow the parties to have additional time to finalize settlement terms during the interim.

SO ORDERED.
